

CARR - 727

1539 OLD MANCHESTER ROAD

early 20th century

Westminster vicinity

private

1539 Old Manchester Road is a rural example of the American foursquare style of domestic architecture that was popular during the early twentieth century. This particular example has the typical foursquare feature (box-like shape, hipped roof, and full-length front porch), and it also retains the gabled dormer on the roof, a feature that was popular on late nineteenth century farmhouses in this region.
